Coordination of Care between Health Care Providers and Release of Information

Communication between your primary care physician (PCP), your psychiatrist and/or facilities is important to ensure that you receive comprehensive and quality health care. This form will allow our clinic to share protected health information (PHI) with your other providers. This information will not be released without your signed authorization. This PHI may include medical and psychiatric assessments, treatment plans, medication, laboratory data, psychological evaluation, discharge/summary notes, school information, and any other relevant information regarding your mental health.

Patient Rights

- You may end this authorization at any time by contacting our office.
- If you make a request to end this authorization, it will not include information that already may have been used or disclosed based on your previous permission.
- You will not be required to sign this form as a condition of treatment, payment, enrollment, or eligibility for benefits.
- You have a right to a copy of this signed authorization.
- If you choose not to agree with this request, your benefits or services will not be affected.

Patient Authorization

I hereby authorize Desirae Ysasi, LPC-S, PLLC to release and/or receive verbally or in writing information regarding any medical, mental health, and/or alcohol/drug abuse diagnosis or treatment recommended or rendered to the following identified patient. I understand that these records are protected by federal and state laws governing the confidentiality of mental health and substance abuse records, and cannot be disclosed without my consent unless otherwise provided in the regulations. I also understand that I may revoke this consent at any time and must do so in writing. A request to revoke this authorization will not affect any actions taken before the provider receives the request. **This consent expires (1) year from the date of my signature below unless otherwise stated herein.**
